

5260

4A-54

20 April 1951

TO : Deputy for Administration
FROM : Assistant Director for Special Operations
SUBJ : Chief, Communications Division
REASON : Request for Assignment of Contract Officer on TTY Basis
at Base Station, [REDACTED]
REFERENCE: Project Review Committee Action [REDACTED]

25X1A

25X1A

25X1A

1. The Project Review Committee, in above reference, approved the expenditure of funds for increased facilities at Base Station, [REDACTED] as follows:

25X1A

- a. Water Supply.
For exploratory drilling at both
the transmitter and receiver sites. \$14,000.00
- b. Garage and Vehicle Maintenance.
For the construction of a five stall
garage, external grease ramp, storage
shed for oils and grease, and addi-
tional paving. 6,000.00
- c. Fuel Storage Tanks.
For the purchase and installation of
Diesel fuel tanks at both transmitter
and receiver sites and for the pur-
chase and installation of a gasoline
tank and pump at the operations site. 29,000.00
- TOTAL \$49,000.00

2. There is, at present, no one available at the Base Station with authority to negotiate contracts necessary to the implementation of this construction program.

3. It is requested that arrangements be made, at the earliest practicable date, for the TTY assignment to Base Station, [REDACTED] of a contract officer with the prerequisite authority.

25X1A

4. Details on each of the projects enumerated in a., b., and c. will be made known to the contract officer after his appointment.
